B. P. Ancelson, & Madison street. 1672 dollars per mile, appears very strange one. Joe Locke, 286½ Main street, and to all fair minded men. The circuit court one. Joe Locke, 286½ Main street, and the lockent of Monroe and will continue three. be in session here and will continue three or four weeks. There are some important State cases to be tried. Everything looks hopeful and prosperous in Fayette. Her cotton crop yielded two hundred thousand dollsrs last year. There is however a great deal of waste land in the county that should be sown in good grass or converted into new pastures; or otherwise in a lew years it will be washed, much of it, into ravines. The interest manifested by the Affect in the improvement of this county is making for it a host of friends. The Falcon and its wide-wake editors are working manfully for the subscription. Somerville will be a more delightful place and a most flourishing town if they get the roads spoken of.

Meridian and Gremada Maitread.

NYCKESUNG, February 22, 1872, EDITORS AFFEAL—I am deeply indebted to you for the kindly mention of my name, so often repeated in your journal, but especially in reference, to the building of the Maridian and Gremada railroad. That the completion of this road is of the first importance to Memphis no one who of the Hartford Coursant, and a rising star of the Hartford Coursant, and a rising star

county, Tennessee, is at the ond street, has it for asie. THE INLAND MONTHLY .- This is the MAJOR M. J. WICKS, President of the THE INLAND MONTHLY.—This is the title of a new magazine published in St. Louis, edited by Mary Nolan and published by Charlotte Smith. It is full of promise, and we doubt not will be a success. The editor in a brief preface thus cuts out her work. She says: "The Inland Monthly does not propose to follow the example of any other magazine published in the country: hence as it is usual Mempkis and Charleston railroad, left for New York yesterday. Count America, principal secretary of the Prussian legation at Washington, has been in the city for a few days. DR. LYLES has returned to the city. After the 15th of March he will remain in genius, a mistaken friendship, or an insi-dious enmity. I am disposed to construe it charitably. But while my convictions in its design and freshness in its appear-The new Cumberland Presbyterian church, at the corner of Descto and Vance streets, rapidly approaches a finished state. It will be very attractive in externing another. I am for striking at cornuption whenever and wherever it shows it alphearance.

—Arrangements should at once be made for special trains from Brownsville, Jackson, and other points, to accommodate those who want to enjoy the Thomas or chestra concerts.

—We learn that Arkansas bonds are recovering in New York, and that with the returning confidence in har securities, comes fresh and vigorous work on all others. It was a spicy and intensely personal account of the unclean birds that now roost upon the returning confidence in har securities, comes fresh and vigorous work on all others. It was a spicy and intensely personal account of the unclean birds that now roost upon the returning confidence in har securities, comes fresh and vigorous work on all others. with this view alone that I signed one branch of the circular of Colonel Baxter; original compositions evencing master branch of the circular of Colonel Baxter; and those of my friends who have thought original compositions evincing master power, vivacity, animation, force, and grasping a wide range of subjects. We hall both our new colleagues with a heart-felt welcome, and we predict for them,

hear the wonderful music at the operathouse, or attend Pst., Short's benefit next Wednesday night at the Memphis theater.

—Before the March winds set in our streets and alleys should be thoroughly cleansed. If not, we may look for destruction to goods and household stuff groater by an hundred fold than the cost of such cleaning.

—At least twice as many plants, trees, shrubs, flowers and geraniums are on exhibition at various points round the city in the popular treasurer, assures as the never leat, and the demand seems to justify the increased and extended energy of the nurserymen.

—To-day there will be present in our city a great many of the leading magniates of the country, drawn thither by instead from this date. No power can now prevent our march upward and conward.

—The Sunday Appeal will be an unsurable interesting paper. We will issue the follows the follows the follows the converted and the evening in "Heart's Ease," On Sunday she goes hence to Louisville. On Monday night Mr, and Mrs. Band. onward. The sum of the bosse-work or a small family. and Monthly does not proposed the example of any other magazine published in the country; hence, as it is usual in most magazines, to state the object of their publication to be: to fill the want of a long-felt necessity; that of supplying a long-felt necessity; that of supplying a soon as it was known in New York that the Chesapeake was captured the excita-

only half her value. He went to Havana. The agent of the Confederate government at that port tampered with his men until they became disaffected and returned to Nassau, where they died of yellow fever, except some of his officers, they all descrited him. He applied to this agent for five thousand dollars, but could not get it. He went to the United States consultant of the property for his man review to the consultant of the t and got passports for his men, paying ter dollars for each. He was in Havana som time before he was ready with another crew. In the meantime the Roanoke had loading up again with a very valuable cargo. He arranged to go on her himself with his men. They begun to go on board early in the morning, and ALL WALL ON DECK

about four in the jafternoon when she was under way, and passing the Mole a boat put off from the shore and halled her. AMUSEMENTS.

APPLRYON'S JOURNAL—The last monthing and best of broad the from the shorte were two persons in it, one of whom priced out, "look out captain, you have got rebels on board," and then sheered of the instance, Lotta took a benetit is sue, their enterprise guarantees a perfect successa." It can be ordered of Memphis.

APPLRYON'S JOURNAL—The last monthing and best of publications is before us, To say that its contain a second bey-day of glory. It would enlive the heart of Dr. Kane to see the New Memphis last night. Mr. Short, we may look for destructions is before us, To say that it would enlive the heart of Dr. Kane to see the New Memphis were officers or passengers. He told his first lieutenant to walk up to the first officer of the ship and demand his surrender. He went, and presenting a pistol

By mairimonial fetter.

THIEVING ARTISTS IN MISFORTUNE.

As we prop As we promised, we continue our report of the gallant Captain Brain's lecture, delivered at the Greeniaw Opera-house on Thursday night last, as follows:

The prize was run to a British island opposite Eastport, Maine, bordering on New Brunswick. The ship was dressed in Marryatt's code of signals, and passed as

And the officer promptly replied, "I surrender, sir." Captain Brain then went up to the sitting figures and told them to go below. Three of them did as these were ordered, while two walked over to the starboard side of the ship. They were shot at, but did not show any signs of comprehending the situation. Captain Brain perceived they were Spaniards, and addressing them in that language he told them to go below, which they promptly did. There was "YOU ARE MY PRIBONER,"

We maids can tread this vale of tears, And bear, alone, our load of hopes and fears As well, and often better, As when we're closely linked and bound Through life's long, wearying tread-mill round

LEAP YEAR LITERATURE.

Leap year is beginning to generate a litterature of its own. The men, and more aspecially that obnoxious set, the aged in making a scared and hurried exit, confirms this hypothesis. Preparatory to contering on vigorous operations, the theves, whoever they were, sirued a light, which, through some awkwardness or minamangement, set the building on fire. An unlooked-for catastrophe like this compelled a burried exit, during which there was neither time nor presence of mind to cover up the tell-tale tracks. Mir. Cleary concluded to arrest the other through some that the nor presence of mind to cover up the tell-tale tracks. Mir. Cleary concluded to arrest the other through some than organize their turner and bring him to the city. Justice Burke, who has his office in the country of mind to cover up the tell-tale tracks. Mir. Cleary concluded to arrest the other through the property of the second on the enemy before the year is country.

Leap year is beginning to generate a litterature.

Leap year is beginning to generate a litterature of its own. The men, and more especially that obnoxious set, the aged beaux, have four years in every half decontering on vigorous operations, the three was property in question hear and personally to the administrator or exceutor."

mfelicity Arising from Incompatibility of Temperament and Other Causes.

The Little Rock Gazette of Thursday gives a brief account of the artistic operations of John Dexter, alice Donally, and Sallie Polk, alice Meyers, who were arrested in that city at the instance of Annie Fisher. Their misfortune originated on Mardl Gras. While Miss Annie Fisher, who keeps a "cheap store" in the City of Bluffs, was been attending the festivities of the evening, John and Sallie, who, it seems, roomed just over the "cheap store," said. He said he found it at his rooms, broke into Miss Fisher's private apart-

RIVERS AND WEATHER.-Steambox men are beginning to think that naviga-tion will be resumed; however, they have been disappointed so often during winter that they say they would not be surprised at anything. The gorge above moves very slowly, giving way slittle each day. The river here rose eight inches; at St. Louis one foot five inches; at Vicksburg An exciting lawsuit was going on before Judge Heiskell, of the first circuit court, yesterday, involving a claim for damages to the amount of five hundred dollars. The case is interesting to all those who have suitable houses to rent to a certain class of people, by whom, it is generally thought, they may be approprious the court of the cour
